

Friends of the St. Clair River

COVID SAFETY PLAN

Keeping our volunteers, staff and community healthy and safe is our first priority.

- **Pre-registration** required for minimal interaction and to manage the scale of activities and participants
- **Restricting** number of participants at one time
- **Physical distancing** maintained of at least 6 feet
- **Face coverings** must be worn at all times when social distancing isn't possible
- **Providing** face coverings, gloves and hand sanitizer
- **Disinfecting** tools and equipment before and after use
- **Preventing** the sharing of tools and equipment
- **Routine** cleaning of frequently touched surfaces
- **Self-screening** assessment required to prevent symptomatic participants from attending
- **Keeping** family groups together to maintain physical distancing and keep groups small
- **Notification** of changing conditions that require postponement or cancelation

This plan was created in compliance with local, state and federal guidelines and will be updated as new info is provided. Our full plan is available at www.scriver.org.
