

# THUMB COAST STORM DRAIN ART COLORING PAGE

You can help protect the St. Clair River by submitting your art! Artists are invited to create designs that reflect the importance of keeping our water clean.

Themes include, but are not limited to:

**Keep it Clean, we're all Downstream! | Storm Drains aren't garbage cans.  
Only rain in the Drain. | Be the solution to Pollution.**

See examples and learn more about the project at [SCRiver.org](http://SCRiver.org). Submit design to [Lydia@SCRiver.org](mailto:Lydia@SCRiver.org) by April 30, 2022.

*Project organized by Friends of St. Clair River and funded by the Community Foundation of St. Clair County - Blue Water Arts Committee, River Rec Teen Zone, St. Clair Art Association, and the City of Port Huron.*
